... Please turn over

Reason(s) for Excision:

Two excisions are required to remove scenes that present physical and sexual conduct of a highly degrading and dehumanising nature. These scenes strongly contribute to the dominant effect of the publication. The effect of these sequences, in combination with the mocking and degrading tone of the feature, is to degrade both the women actors in the feature and women in general. The degrading and dehumanising effect of the feature would be significantly diminished by the removal of these sequences.
